

# Sponsorship Invitation

## Fisheries and Aquatic Resources Meeting – January 8-10, 2023 Boston Hyatt Regency

The American Fisheries Society Northeastern Division and Southern New England Chapter will host a joint meeting concurrently with a Diadromous Symposium at the Boston Hyatt Regency from January 8<sup>th</sup> to 10<sup>th</sup>, 2023. This meeting will attract attendees from throughout the eastern United States, and Canada. The meeting will include a workshop day and two days of oral and poster presentations by established professionals and students on science, management, and conservation of the region's aquatic resources. Three concurrent sessions will include a special session - *Diadromous Fishes: New Tools, New Findings, New Hope*.

We are excited that this joint meeting between two professional societies and the Diadromous Symposium will expand participation, and we encourage your organization's sponsorship. Based on previous meetings, we expect between 250 and 500 individuals for this networking opportunity.
